SCUSD seeks community input at next Superintendent Search Town Hall Meeting at Hiram Johnson High School

Hiram Johnson High School to host 2nd town hall on Monday, Feb. 27

SACRAMENTO, CA – Sacramento City Unified School District is engaged in a series of seven town halls to seek community input on what qualities the Board of Education should consider in hiring a new superintendent. In addition, the district is using its website to conduct an online survey and is posting comments from the town halls on its website. The second town hall will be held at **Hiram Johnson High School on Monday, Feb. 27 from 6 to 8 p.m.**

The board began its search after current Superintendent José Banda announced at the Jan. 19th board meeting that he would not seek renewal of his three-year contract. Banda was hired in July 2014 to lead the district of 43,000 students and 4,200 employees. Sacramento City Unified is one of the oldest public school districts in California and has seventy-seven K-12 and adult education campuses. Banda's contract ends June 30th.

More information about the superintendent search process including a link to the survey, comments and the town hall schedule may be found at <http://www.scusd.edu/superintendent-search>.

Board members have said their objectives during the search process are to:

- Listen to community members and gather their input on the desirable qualities of a Superintendent for SCUSD.
- Be inclusive and ensure that a broad and diverse group of stakeholders is reached out to and asked to participate in the process.
- Explain how community input will be used during the hiring process.
- Educate the community on the important role of the Superintendent.
- Share community feedback gathered from the 2014 Superintendent search process and determine whether that feedback still applies today.

- Be transparent about the board’s hiring process and timeline.
