## Board Policy

### Relations With Vendors

BP 3315

#### Business and Noninstructional Operations

No district employee or Governing Board member shall accept personal gifts, commissions or expense-paid trips from individuals or companies selling equipment, materials or services required in the operation of district programs. Gifts include any gift purchased specifically for an employee which is not generally offered to other buyers.

This policy does not prohibit employees from accepting promotional or advertising items such as calendars, desk pads, notebooks and other office gadgets which are offered by business concerns free to all as part of their public relations programs.

District purchases of goods or non-employee services shall not be made from vendors with which district employees hold an economic interest. A district employee is considered to hold an economic interest in a vendor if they own, work for, serve as a consultant for, or have other financial interests with the vendor or if a member of an employee's immediate family has a direct financial interest in the potential vendor. A direct financial interest is defined as full or partial ownership, employment by, or existence of a consulting contract.

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

(cf. 9270 - Conflict of Interest)

This policy does not prohibit the acceptance of materials and/or services which are of use and benefit to the district.

(cf. 3290 - Gifts, Grants and Bequests)

No district employee or Governing Board member shall participate in the selection, award, or administration of a contract if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the district employee has a financial or other interest in or a tangible personal benefit for a firm considered for a contract. Any district employee in violation of this policy shall be subject to disciplinary action consistent with 2 CFR 200.318(c)(1). The Superintendent or designee may take disciplinary action as he/she deems appropriate in light of the particular facts and circumstances involved.
