### School Description

At Abraham Lincoln we strive for a cooperative environment focused on the academic, social, and emotional growth of our students. Our learning community values respect, empathy, integrity, perseverance, problem solving, creativity and responsibility.

At Abraham Lincoln we will:

- provide high quality standards-based rigorous first instruction in Language Arts, Mathematics, Social Studies, Science, and Physical Education
- make classroom instruction relevant for the students
- provide intervention and extension when necessary
- have high expectations of all students
- encourage critical thinking and problem solving
- continue to participate in professional development opportunities
- collaboratively plan and analyze student work
- give all students access to the school library and technological resources
- provide students with the necessary materials to learn at high levels
- provide students with opportunities to build background knowledge and connections to the curriculum
- provide a safe and inviting learning environment for all students to which they feel connected
- encourage respect, responsibility and personal growth
- provide opportunities for family members to be engaged in the school

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The district instructional material evaluation committee, consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community, ensures that the selected textbooks, technology-based materials and other educational materials effectively support the district's adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Abraham Lincoln Elementary School, built in 1978, received Facility Inspection Tool (FIT) overall repair rating score of “exemplary” from its most recent facility inspection in September 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district’s 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district’s wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	20.0	27.0	39.0	40.0	48.0	50.0
Math	26.0	26.0	31.0	32.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	32.4	17.6	

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## Professional Development provided for Teachers

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our strategic plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

## Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. Abraham Lincoln Elementary School and district supplemental programs and services include:

- Class Size Reduction
- Tutoring
- Supplemental instructional materials and books
- Extended Day/Year/ Summer school
- Enrichment programs
- Access to technology
- AVID/MESA Programs
- Parent Education/Family Nights
- Social Services (Student Support Center)
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Counseling (academic and career)
- Gifted and Talented Education (GATE)
- Special Education
- Professional Development
- Support Staff - nurses, instructional assistants, parent advisors, and counselors
- Supplemental Education Services
- School Choice
- Intervention during the school day

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
