HISTORY / DESCRIPTION:

In early spring 2010 a call to action was made for change at Fern Bacon Middle School. The incoming principal conducted focus groups with students and staff; held department meetings and one-on-one meetings with key staff; and collected qualitative data by surveying students, staff, and parents. Subsequent analysis of student performance data and SQR findings predicated the structure of the program and selected curriculum.

A collaborative leadership team including the principal, vice principals, instructional training specialists, site staff, and parent volunteers began planning the summer pre-service and professional development that would lay the foundation for the school's "New Era of Excellence."

During the August pre-service that year, members of the teaching staff led colleagues through a data analysis protocol and strategic visioning session to help identify school priorities. These priorities became the essence of the school's vision and continue to provide the overarching frame for school improvement.

As a result, Fern Bacon made significant academic growth and gained 146 API points in three years on the CST. Moving forward, a strong foundation has been laid at Fern Bacon Middle School. The transition into a new system of accountability has been seamless with an increase of proficiency in our SBAC scores in both English Language Arts and Mathematics. Our work will continue to be integrated, interdependent, interactive, and inter-related to ensure congruence between teaching and learning. As a true learning organization, we will reach our vision by aligning our work to produce college/career ready students, strengthening family and community engagement, and fostering organizational transformation for continuous improvement.

OUR VISION AT FERN BACON MIDDLE SCHOOL TO DATE:

Our people and their strengths, both individually and collectively, have been the most important factors in the transformation of Fern Bacon Middle School. It is our commitment, ownership, and hard work together that has helped us reach our desired results; a vision predicated on a culture of high expectations for student achievement and behavior conduct.

To that end, our staff has generated the following vision statement to guide our work:

As a result of rigorous, high quality first instruction, evidence-based practices, and authentic relationships, students will achieve tremendous academic growth and demonstrate preparedness for college/career pathways.

To reach our vision Fern Bacon Middle School will set the following conditions for success:

- Provide standards-based curriculum that is designed to provide intensive, strategic and benchmark support for students to achieve mastery of grade level content;
- Utilize student achievement data to drive all decision making in the classroom and programmatically;
- Monitor student progress to ensure timely and systematic instructional and intervention response;
- Provide structures for teacher reflection, collaboration, and planning to ensure the delivery of high-quality, rigorous instruction in every classroom;
- Provide instructional coaching support to develop teaching and learning;
- Develop and promote authentic relationships with students, families and the community to support excellence and achievement.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The district instructional material evaluation committee, consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community, ensures that the selected textbooks, technology-based materials and other educational materials effectively support the district's adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

School Facility Conditions and Planned Improvements (Most Recent Year)

Fern Bacon Middle School, built in 1960, received Facility Inspection Tool (FIT) overall repair rating score of "exemplary" from its most recent facility inspection in September 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district's 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district's wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	38.0	38.0	39.0	40.0	48.0	50.0
Math	24.0	22.0	31.0	32.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Relationships with our parents and community are a cornerstone of our work at Fern Bacon Middle School. Teachers participate in the nationally acclaimed Parent Teacher Home Visit Project designed to strengthen relationships with students and families in addition to hosting a variety of activities during the year focused on academics and student achievement. Parents are also an important part of and actively participate on our School Site Council and English Learner Advisory Committee to help provide school governance.

A monthly meeting designed especially for parents, "Bulldog Cafe," is a great opportunity to socialize and learn about important school programs and student access to success. Parents are informed about how to monitor student success in school, high school choice options, college awareness, and multiple academic and program items that lead to success in school.

Parents are also provided with adult learning opportunities to strengthen parenting skills and literacy at home. "Parents as Partners" is an eight week academy offered at Fern Bacon Middle School that helps parents learn about community resources, access to higher education and important skills to strengthen their role as a parent. "The Latino Literacy Project" is another parent education opportunity offered at Fern Bacon. Parents and students come together for six weeks to learn about the importance of literacy in the home and ways that families can celebrate learning together.

Back-to-School Night and Open House are annual school-wide events for parents to be connected to the school staff and learn about student progress. Fern Bacon is committed to honoring cultural diversity through our annual Heritage Festival and other student activities. Quality customer service and increasing parent engagement are a cornerstone initiative of Fern Bacon Middle School.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

The Comprehensive Safe School Plans for the Sacramento City Unified School District are revised annually to ensure the contents of the plans are uniform and updated to address the components set forth in Section 32282 of the 2018 California Education Code. This plan is a work in progress as the Safe Schools Office and the Sacramento Police Department continue to seek the most current information and advice from subject matter experts.

Professional Development provided for Teachers

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our strategic plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. Fern Bacon Middle School and district supplemental programs and services include:

- Tutoring & extended day opportunities
- Supplemental instructional materials and books
- Enrichment programs
- Access to technology
- College and Career Readiness
- Parent Education (Parent Center)
- Parent Education through ESL and Introduction to Computing
- Newcomer ELD classes
- Social Services Support
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Counseling (academic and career)
- Home visitation program
- Special Education
- Project Family
- Professional Development
- Support Staff: Counselor(s), Instructional Aides, Parent Advisors, Resource Teacher, Computer Technician
- Supplemental Education Services
- School Choice
- School Resource Officer (Sacramento City Police)

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
