### School Description

"Leonardo da Vinci K-8 School is a community dedicated to the development of the whole child as a literate, curious, and inventive person, responsible for the preserving and creating beauty in our cultural and natural environments. We will foster this Renaissance child of the Arts and Sciences through Integrated Thematic Instruction."

Leonardo da Vinci K-8 School has rigorous grade level curriculum that extends the Common Core Standards. We teach the standards through the use of board adopted texts, thematic instruction (Highly Effective Teaching formerly called Integrated Thematic Instruction), and projects. In addition, we intertwine the following into each thematic unit: field trips, large end-of-unit projects, research projects at every grade level, science instruction, social science curriculum that connects to the English Language Arts Program, and math that is conceptual and functional. We are dedicated to visual and performing arts and the arts in integrated into our units of study. Students participate in site and district tests and assessments.

Program highlights: We are a Parent Participation school. We have monthly evening teacher/parent meetings so that parents have an understanding of the upcoming curriculum, projects, field trips, and volunteer opportunities. We offer a range of programs that extend our school mission of educating the Renaissance child: Mathletes, GATE level curriculum K-6, Honors/GATE math and ELA classes 7-8, After-school GATE Program, 4th-8th Grade Band and Orchestra, Drama Enrichment Class, Student Government, K-6 Art Lab, K-6 Art Links Program, 7-8 Art Lab and Visual Art Elective, K-8 Science Lab, Morning Sing K-3, Art Rotation 1-3, 8-9 Field Trips, per year (every grade level), Competitive Athletic Program, Organic Garden, Library, Computer Labs, Culturally Inclusive Assembly Program, Young Author's Competition, and Science Fair. Our students of the Renaissance participate in regional and local academic competitions: MESA, History Day, Speech and Debate, Mathletes, Nature Bowl and Quizball. We encourage our students and families to be active with round rounded activities to develop every aspect of their child's growth and development.

There are several family and community nights: two annual science nights, Winter Fair, Harvest Hoedown, Renaissance Fair, Daughters of daVinci Dance, and Mother-Son Sock Hop. LdV Hosts High School Prep Event, Middle School High Summer Preparation event Dolphinpalooza, and District Athletic Events.

Parents of students at Leonardo da Vinci are encouraged to contribute 40 hours a year of volunteer time to the educational program. Parent participation allows teachers to offer centers, workshops and small group instruction for both academic and enrichment exercises. We have several active parent leadership groups: PTC, ELAC, and SSC. Additionally, we have several parent sub committees: arts, culturally inclusive education, arts committee, science committee, historian and yearbook committee. We have several parent leadership roles, per classroom that include: class manager, field trip coordinator, garden chair, art links, treasurer and library.

We are dedicated to our mission and vision.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

The district instructional material evaluation committee, consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community, ensures that the selected textbooks, technology-based materials and other educational materials effectively support the district's adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Leonardo da Vinci K-8 School, built in 1950, received Facility Inspection Tool (FIT) overall repair rating score of "good" from its most recent facility inspection in June 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district's 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district's wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2018-19)

Parental involvement is an integral part of our school. Parents working in the classroom enable students to work in small groups and receive more individual attention.

The parent participation allows for many opportunities for student success. Parents support students with one-on-one help. Parents make it possible for teachers to bring more art and science projects into their classrooms. Parent drivers and chaperones make it possible for the children to experience many field trips to broaden their classroom learning.

Parent involvement has brought many special programs to the school: On-Stage, Solar Regatta, Grade Level Thematic Days, School Theme Day, Art Links, to name a few. Parent generated events such as our Renaissance Faire bring history alive, and make learning fun.

Parents at LdV are involved in many decision-making committees: PTC, SSC, and ELAC.

One weekend a month parents gather at the school to work on large projects, improving the grounds and working in the gardens.

Diane Soule, School Community Liaison, helps to calculate parent volunteer hours, creates and publishes a weekly newsletter, and posts parent volunteer opportunities/

Teachers lead a monthly parent meeting in which parents find out about the upcoming curriculum and standards for the month, special projects which need parent support, and volunteer opportunities (field trips, class workshops, class centers, class art projects).

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Professional Development provided for Teachers**

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our strategic plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

### **Types of Services Funded**

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. Leonardo da Vinci K-8 School and district supplemental programs and services include:

- Class Size Reduction
- Tutoring
- Supplemental instructional materials and books
- Extended Day/Year/ Summer school
- Enrichment programs
- Access to technology
- Parent Education/Family Nights
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Gifted and Talented Education (GATE)
- Special Education
- Professional Development
- Support Staff, such as nurses, instructional assistants, and parent advisor
- Supplemental Education Services

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
