Recommendation: Approve Resolution No. 3171: Recognition of the Rights of Students with Disabilities to a Quality and Inclusive Education.

Background/Rationale: The correct title of Resolution No. 3171 is Recognition of the Rights of Students with Disabilities to a Quality and Inclusive Education, which includes Recognition of Dyslexia Month in October as one of the purposes of this Resolution. The Resolution, among other disabilities as described in the Resolution, designates Dyslexia Awareness Month by the International Dyslexia Association annually in October in order to encourage staff members, families, and the community to collaborate to raise awareness and understanding in so much as to identify, treat and prevent problems associated with dyslexia in order to ensure success for every student with dyslexia. The Community Advisory Committee for Special Education, the Board of Education and SCUSD recognize that all our students with disabilities are general education students first, and that every educational, operational, and budget decision we make begins with the belief that students with disabilities of every kind have a right to and have the ability to learn alongside their non-disabled peers and to have equitable and meaningful opportunities to learn and grow.

Financial Considerations: N/A

LCAP Goal(s): Increase the percent of students who are on-track to graduate college and career ready; Safe, Clean, and Healthy Schools.

Board of Education

RESOLUTION No. 3171

Recognition of the Rights of Students with Disabilities to a Quality and Inclusive Education

WHEREAS, the Sacramento City Unified School District (SCUSD) serves approximately 6,217 students formally identified with disabilities, representing 15% of the total student population.

WHEREAS, October includes National Disability History Month, National Bullying Prevention Month, Worldwide Dyslexia Awareness Month, National Learning Disabilities Awareness Month, and National Disability Employment Awareness Month; and

WHEREAS, the Americans with Disabilities Act (ADA) prohibits discrimination against individuals with disabilities in all areas of public life, including jobs, schools, transportation, and all public and private places that are open to the general public and assures that people with disabilities have the same civil rights protections and opportunities as everyone else, similar to those provided to individuals on the basis of race, color, sex, national origin, age, and religion; and

WHEREAS, Section 504 of the federal Rehabilitation Act regulations requires a school district to provide related aids and services designed to meet the student's individual educational needs; and

WHEREAS, the Individuals with Disabilities Education Act (IDEA) requires all public schools to address the needs of pupils with disabilities and develop Individualized Education Plans (IEPs) which provide a Free and Appropriate Public Education (FAPE) reflecting the specific needs of each pupil; and

WHEREAS, California has been a leader in furthering disability rights with the enactment of such pioneering legislation as the Disabled Persons Act, the Unruh Civil Rights Act, the Fair Employment and Housing Act, Section 11135 of the Government Code, the Lanterman-Petris-Short Act, and the Lanterman Developmental Disabilities Services Act; and

WHEREAS, the FAIR Education Act enacted January 1, 2012 requires that California schools provide Fair, Accurate, Inclusive and Respectful (FAIR) representations of people with disabilities and people who are lesbian, gay, bisexual or transgender in History and Social studies curriculum and mandates schools to include the contributions of people with disabilities and members of the LGBT community in the curriculum; and

WHEREAS, despite the affirmative rights and appreciation for students with disabilities in our federal and state laws, students with disabilities suffer the worst academic and social emotional outcomes in our District, especially students of color and English language learners; and

WHEREAS, as educational leaders the Board of Education and SCUSD recognize that evidenced-based instructional methods, inclusive practices, restorative justice practices, social

and emotional learning, bullying prevention and intervention, mental health supports, and authentic family engagement are proven to substantially improve the educational and equitable outcomes for all students, including students with disabilities; and

WHEREAS, the Board of Education and SCUSD recognize that our students with disabilities are general education students first, and that every educational, operational, and budget decision we make begins with the belief that students with disabilities have a right to and have the ability to learn alongside their non-disabled peers and equitable and meaningful opportunities to learn and grow; and

WHEREAS, the Board of Education and SCUSD recognize that school climate refers to the norms, values, and expectations that support people to feel physically, socially, and emotionally safe and connected. To be their best, students must feel a sense of connectedness and belonging to their school community. Specifically, schools that are committed to promoting a variety of positive relationships with caring adults will have more connected and engaged students with disabilities.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Education and SCUSD remain committed to work towards equitable outcomes for students with disabilities and support a vision of high expectations for all students and a commitment to learning goals, standards, interventions, and supports that are strong, clear, understood, and put into practice; and
