**RECOGNITION OF HUMAN TRAFFICKING AWARENESS MONTH, JANUARY 2021**

**WHEREAS**, the California Child Welfare Council reports that the fast-growing criminal industry of commercial sexual exploitation affects 100,000-300,000 children a year nationally, with 11-14 being the most common ages of victims coerced into the industry, but human trafficking specialists in the Sacramento area have estimated ages even younger;

**WHEREAS**, exploited children endure complex trauma that negatively affects psychosocial development, physical health, and academic engagement, which may manifest in chronic absenteeism, low academic performance, and increase the probability of school dropout;

**WHEREAS**, California Senate Bill 794: Child Welfare Services was signed by the Governor on October 1, 2015 and requires county child welfare agencies and probation departments to implement policies and procedures to identify, document, and determine appropriate services for children and youth who are receiving child welfare services pursuant to federal law and are, or are at risk of becoming, victims of commercial sexual exploitation;

**WHEREAS**, California Senate Bill 1322: Commercial Sex Acts: Minors was signed September 26, 2016 and removes the criminal penalty for youth engaged in commercial sex trade as a victim of CSEC;

**WHEREAS**, California Assembly Bill 1227: Human Trafficking Prevention Education and Training Act was signed October 7, 2017 and requires school districts to ensure that all pupils in grades 7 to 12 receive comprehensive sexual health education. Under the act, this instruction includes, among other things, information about sexual harassment, sexual assault, adolescent relationship abuse, intimate partner violence, and sex trafficking; and

**WHEREAS**, the District is a party to a Sacramento County Commercially Sexually Exploited Children (CSEC) Program Interagency Protocol Memorandum of Understanding (MOU) whereas the parties of the MOU have formed a CSEC Steering Committee to provide ongoing oversight and support to ensure the County agencies and partners effectively collaborate to better identify and serve victims of commercial sexual exploitation and children at risk of becoming exploited.

**THEREFORE, BE IT RESOLVED**, that the Governing Board of the Sacramento City Unified School District stands in solidarity with staff, partners, community members, and all local agencies working to eliminate and address the CSEC crisis that exists in Sacramento;
