**Background/Rationale:** Since the onset of the pandemic in March 2020, regular schooling has been disrupted for all of our students. We know that many of our students have experienced learning loss during this time, and the Summer is an opportunity to make up some of that lost learning so that students are better prepared to engage in grade level work starting the 2021-22 school year. There will also be credit recovery at each of our high schools.

**Financial Considerations:** An estimated cost still to be determined

**LCAP Goal(s):** College and Career Readiness
