Recommendation: Conduct a public hearing on the Proposed 2020-2021 Budget for All

Funds.

### **Background/Rationale:**

By June 30<sup>th</sup> of each year, the school district must adopt a budget for all funds for the ensuing fiscal year. Prior to adoption of the budget, the Board must conduct a public hearing. This is in accordance with state prescribed procedures for single budget adoption, which require that the budget be adopted and submitted to the County Office of Education on state required forms by June 30<sup>th</sup>. The 2020-2021 Budget establishes expenditure authority for the District to conduct business in the coming year.

The proposed 2020-2021 budget is based on the Governor's May Budget Revision that was released on May 14, 2020. Staff attended the School Services of California virtual workshop on the May Budget Revision on May 19, 2020 and incorporates recommendations from the Sacramento County Office of Education. While the Governor's May Budget Revision is a very significant event in the process, the final impact to the District will not be known until the State budget is signed. School districts have 45 days after the final State budget is signed to amend and resubmit their budget.

The District continues to work closely with the Fiscal Advisor and meets weekly with the Sacramento County Office of Education (SCOE) on developing the budget.

Per the Governor's Executive Order N-56-20, the deadline for approval of the Local Control and Accountability Plan (LCAP) for 2020-21 has been extended until December 15, 2020. N-56-20 also waived the requirement that an LCAP be approved prior to budget adoption on or before July 1, 2020. The proposed 2020-21 Budget for ALL Funds being presented today is aligned to existing LCAP goals, actions, and services which have been developed and refined through ongoing consultation with stakeholder groups.

<u>Financial Considerations</u>: The proposed budget establishes expenditure authority for all funds.

LCAP Goal(s): Family and Community Empowerment; Operational Excellence

# PROPRIETARY FUNDS

# **Proprietary Funds Definition**

Proprietary Funds are used to account for activities that are more business-like than government-like in nature. Business-type activities include those for which a fee is charged to external users or to other organizational units of the LEA, normally on a full cost-recovery basis. Proprietary funds are generally intended to be self-supporting. This classification includes the Self-Insurance fund, which includes the Dental/Vision fund.

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

<sup>1</sup> Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.
