Public Hearing on the Renewal of the Charter for Capitol Collegiate

Academy

October 15, 2015

I. OVERVIEW / HISTORY

Sacramento City Unified School District granted Capitol Collegiate Academy's charter petition for establishment on May 6, 2010, and approved the charter petition for four years. The initial charter petition expiration date was June 30, 2015; however, on March 5, 2015, Sacramento City Unified School District granted Capitol Collegiate Academy a one-year extension of the charter term beginning July 1, 2015 and ending June 30, 2016. The purpose of the one-year extension was to allow Capitol Collegiate Academy the opportunity to demonstrate that Capitol Collegiate Academy meets the minimum standard for renewal and the opportunity to demonstrate further improvements in developing and implementing a governance plan and English Learner plan.

Sacramento City Unified School District received a charter renewal petition from Capitol Collegiate Academy on September 18, 2015. Capitol Collegiate Academy is seeking a five-year renewal term for their proposed independent charter school for students in grade levels K-8. The purpose of the public hearing is to consider the level of support for the renewal of the charter for Capitol Collegiate Academy.

II. DRIVING GOVERNANCE

The charter renewal process is guided by Education Code 47607 (b). A charter school seeking renewal of its charter shall submit a written request to the Board at least 120 days before the term of the charter is due to expire, but no earlier than September 1 before the term of the charter is set to expire. Upon receipt of the notice that a charter school wants to renew its charter and at least 90 days before the expiration date of the charter, the Board shall conduct a public hearing to receive input on whether or not to renew the charter. At least 30 calendar days before the expiration date, the Board shall either grant or deny the request for renewal.

A charter may be renewed an unlimited number of times; however, each renewal must be for exactly five years. (EC § 47607). If a school district fails to make written factual findings to support a denial within 60 days of the district's receipt of a petition, the charter school's petition is automatically renewed. (Cal. Code Regs., tit. 5, §11966.4(c).) Sacramento City Unified School District and Capitol Collegiate Academy have mutually agreed to a 30-day extension for approval or denial of the renewal of the charter for Capitol Collegiate Academy. The 30-day extension is necessary because it allows staff adequate time to review the charter renewal application and it ensures compliance with deadlines while considering the set schedule of Board of Education meetings.

EXECUTIVE SUMMARY

MISSION AND VISION

Capitol Collegiate Academy prepares students in grades kindergarten through eight to compete, achieve, and lead in high school, in college and in life.

Capitol Collegiate Academy is a free public charter school founded on the firm belief that all students, regardless of race or socio-economic status, are entitled to a high quality education. We believe that a no-excuses culture is the foundation for success and that with discipline, structure, academic rigor, humility, and unyielding optimism, we will ensure that students have the early foundation necessary to go on and excel in high school, in college, and in their careers.

NEED

In California, prison capacity and planning is based on third grade test scores. Similarly, male students who cannot read on grade level by fourth grade are over one hundred times more likely to go to jail than to go to college. In Sacramento, if only half of the high school drop outs in 2008 had graduated, the city would save over \$10 million per year in taxes paid and public dollars saved. Currently, performance on the California Standards Test remains relatively low in the South Sacramento community. Many schools in this area earned a statewide rank between 1 and 2 out of a possible 10. Further, the majority of students tested in South Sacramento last year were not on grade level, with fewer than 35% of students proficient in reading on average. The South Sacramento community is in need of public school options focused solely on establishing a powerful foundation in the early elementary years, and with the supports and structures designed to meet the clear academic needs of students growing up in these communities. Collaborating with schools to share best practices, working with community partners and parents to support student achievement, and allocating all of our available resources towards our mission will ensure that for our students in South Sacramento, zip code does not determine destiny.

CAPACITY

Capitol Collegiate Academy is founded, developed, governed, and operated by highly-qualified, committed, and mission-aligned education, business, and community leaders. The Founding Group shares a clear and explicit belief that all students, regardless of socio-economic background, should have access to a high quality education and that these students are able to achieve at the same level as their more affluent peers. We believe that college preparation begins in kindergarten and that students should be educated with this end goal in mind. Prominent petitioners for Building Healthy Communities, a collaborative of community organizations in South Sacramento, have expressed the need for and support of our efforts. Using the expertise of this group as well as other community partners, we have assembled a team of legal, business, school, policy, and community leaders, each bringing a component of his or her expertise that will drive the work and success of the Charter School. The Lead Founder of Capitol

Collegiate Academy is an urban school leader and educator with a successful background in education and business. It is through the collective work of this strong founding team that Capitol Collegiate Academy will provide a rigorous elementary education and create college-bound students in some of South Sacramento's most at-risk communities.

CORE BELIEFS

A challenging curriculum and cohesive culture are the foundational stones on which Capitol Collegiate Academy is built. We create a small, safe, and structured learning environment that challenges students to perform at their personal bests. Charter School culture drives the focus of all classrooms, while at the same time addressing the individual needs of each student. Teachers create planning documents that reflect the deliberate consideration of how students learn and what will propel them forward in achievement. Teachers are given the structure, support, and resources needed to collaborate with each other, challenge students in the classroom, and construct exceptional lesson plans and standards-driven curriculum. For those students unable to master academic content during class, daily tutoring and homework support is provided.

CORE VALUES

Capitol Collegiate Academy is characterized by academics and culture. We strive to build a strong community within the Charter School and work to actively engage our students in their learning. As a result, we operate with six core values for members of our school community – humility, effort, respect, optimism, integrity, courage.

LEGISLATIVE INTENT FOR CHARTER SCHOOLS

It is the intent of the Legislature, in enacting the Charter Schools Act of 1992, to provide opportunities for teachers, parents, pupils, and community members to establish and maintain schools that operate independently from the existing school district structure, as a method to accomplish all of the following:

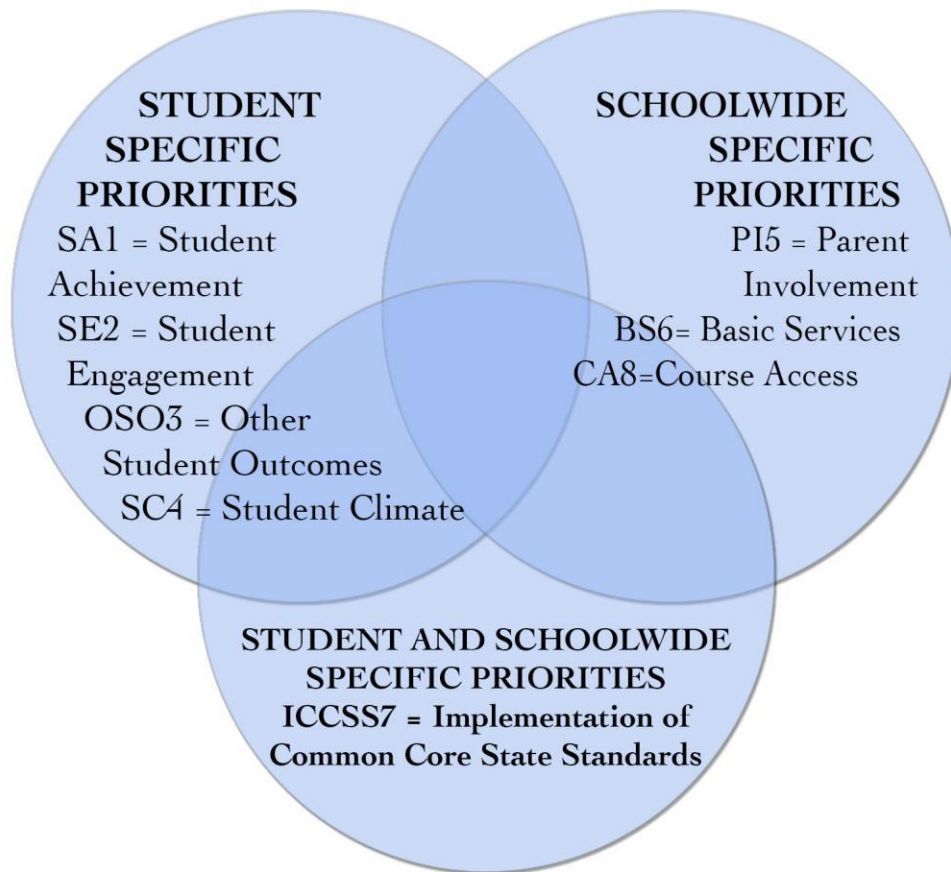

- (a) Improve pupil learning
- (b) Increase learning opportunities for all pupils, with special emphasis on expanded learning experience for pupils who are identified as academically low-achieving
- (c) Encourage the use of different and innovative teaching methods
- (d) Create new professional opportunities for teachers, including the opportunity to be responsible for the learning program at the Charter School site
- (e) Provide parents and pupils with expanded choices in the types of educational opportunities that are available within the public school system
- (f) Hold the Charter Schools established under this part accountable for meeting measurable pupil outcomes, and provide the Charter Schools with a method to change from rule-based to performance-based accountability systems
- (g) Provide vigorous competition within the public school systems to stimulate continued improvements in all public schools

Education Code Section 47605(b)(5)(B), requires each charter school to have a “charter” that provides reasonably comprehensive descriptions of at least the sixteen (16) required elements. The following provisions of this charter coincide with the requirements of Education Code Section 47605.

EIGHT STATE PRIORITIES

California has identified eight state priorities for schools, school districts, and county offices of education. These eight areas of specified state priorities are intended to encompass the key ingredients of high quality schools. CCA embraces these key components for success and for the purpose of discussion, has categorized the state priorities in two ways:

- 1) Student Specific Priorities – Focus on student action and performance
- 2) School-wide Specific Priorities – Focus on school-wide decision and priorities

Capitol Collegiate Academy has embraced and embodied the elements of the eight state priorities and has therefore provided a high quality and college preparatory education for all of its students. CCA's mission is aligned with California's priorities for effective schools, which will continue to be the driving force for continuous improvement in teaching and learning.
