Recommendation: The SAC recommends that their policy initiatives be taken into consideration for implementation in the 2023-24 school year.

Background/Rationale: The Student Advisory Council is a youth led organization comprised of high school students from across SCUSD. Each year, these students learn about data and evaluation strategies, grass roots organizing and policy advocacy. As part of their culminating project, students present their data and research findings to the SCUSD board of education. The 22-23 Student Advisory Council has multiple policy recommendations ranging from improving 504/IEP access, equitable hiring practices and open gender access bathrooms.
