

Employee TB Screening Schedule 16-17

SCUSD is offering TB Screening Clinics for **SCUSD Employees**.

Level 1 **TB Risk Assessment** – Employees will be screened by a School Nurse using a TB Risk Assessment Questionnaire, a product of new legislation. If an employee passes the Risk Assessment, they will be provided with documentation to take to Human Resources, which will satisfy the TB clearance requirement for 4 years.

Level 2 **Skin Test (PPD)** – Employees who do not pass the TB Risk Assessment will be given a TB skin test (PPD), and will be required to return on Wednesday to have their results read. If an employee passes the TB skin test, they will be provided with documentation to take to Human Resources, which will satisfy the TB clearance requirement for 4 years.

Level 3 **Referral for Examination** – Employees who do not pass the TB skin test (PPD) will be referred back to their medical provider for an examination, and likely chest x-ray.

Employees will be responsible for submitting their completed paperwork to Human Resources.

*If a skin test is administered, you will need to return between 3 and 5 PM on Wednesday to have your results read.

TB Screening is available on a first come, first serve basis.

Your wait time will depend on the number of employees ahead of you.

If you require your TB results sooner, or would like to avoid a long wait time, we strongly encourage that you see your physician, doctor, or medical practitioner.
