

Join the K-6 ELD Trailblazers...

As they break ground in improving academic achievement for English through the ELA Common Core State Standards (CCSS), the CA ELD Standards, and the CA Framework for the Common Core State Standards for ELA, and Literacy in History/Social Studies, Science, and Technical Subjects.

In this ongoing professional development series for the 2015-16 school year, teams of teachers will:

- Engage in the teaching and learning of academic language as envisioned in the CA ELA/ELD Framework
- Explore the new CA ELD Standards and their role in the CCSS
- Learn to recognize the language demands of the student tasks encompassed within the CCSS
- Share practice and student work with other teachers
