10.3 Approve Resolution No. 2924: Closing of the Retiree Fund (Gerardo Castillo, CPA)

Conference/Action

Gerardo Castillo and Gloria Chung presented reasons for closing, what it means for SCUSD.

President Hansen wants to clarify that money in fund, \$44 million reflects in the surplus that makes it seem like money the District is sitting on, but is actually money that is in our retiree health care trust fund. Wishes SCTA was present to understand a big part of what they think is money that is sitting there waiting to be spent is money in a trust fund and money set aside for employee retirement health care benefits which belongs to all employees in retirement. It's egregious that it seems as if its money is being held back from children. This money needs to be placed in the right column so it doesn't appear as if its money to be spent however wanted.
