Mission

The Health and Medical Sciences Pathway seeks to engage students in their education through the integration of Health Technology and work experience into the core curriculum requirements of high school.

Description

HMS provides health industry related experience, both inside and outside the classroom, to give students applications for learning, and a context on which to base education and career decisions.

WHAT I LIKE
ABOUT **my**
pathway

HMS pathway outcomes

- Volunteer experience
- Internships
- Employable skills
- Job shadowing
- Team building and leadership experience
- CPR/First Aid/AED certification 10th and 12th grade
- Prepare students to become ethical and responsible citizens, family members, and workers in the health field.

"HMS has provided a **family-like learning environment** for me **to bloom and grow as a student and a person.**"

—Sylas (Sara) Stracener, Class of 2019

"HMS means **having a voice in my education and pursuing my career goals where I can work in a hands-on environment.** It is a place where I feel that I matter. **HMS is family to me.**"

—Cristofer Lujano Onate, Class of 2020

"Home is where you most feel comfortable. When I get asked, "What does HMS mean to you?" **HMS is my second home and family,** filled with amazing people who will **push you to do your best.**

—Genesis Ontivaros, Class of 2018
